We are located in Downtown Los Angeles where at the corner where 1st and Second Street and Glendale Blvd. merge. Our theater is under the Beverly Street Bridge, near Belmont High School and six blocks west of the new Disney Music Hall. We are a mile and a half south of Echo Park.

TWO IMPORTANT POINTS TO FIND US

Although the street address is 1345 West 1st Street, the entrance is on Glendale Blvd. The most common problem is finding yourself on Beverly Blvd, going over the Beverly Street Bridge and into or away from Downtown. We are under the Beverly Blvd/ 1st Street Bridge. If you find yourself on Beverly Blvd take any of the side streets before or after the Bridge. They lead you under the Bridge. That's where you'll find us.

We recommend you check all Internet directions with a Thomas Guide before you leave for the theater.
